Mission/Vision/Direction

~ WAM has been in existence since 2009

History discussed and what we are doing now

Can we find someone who we have helped to sit on our board?

Anyone know of a family or individual that has personal

experience with homelessness or needing assistance from WAM?

Think about these questions and we will discuss at next meeting

What does WAM do that no other group can do?

What would make you excited to be involved in WAM?

What gifts/skills/talents do you have that WAM needs?
