- Who is my neighbor? video shown- reminder to keep our neighbor in mind and how God has called us to assist them
- Financial report provided from Emergency Relief Fund

Since we started in 2009, we have fulfilled about 1/3 of financial aid requests, mostly due to lack of funds. Some seeking help have met their yearly maximum.

The Link has had 298 phone calls just for WAM last month. request for a cell phone to return calls was approved for a 30 day trial. People not answering calls made from the Link because it comes up “unavailable” and they may think it is a bill collector.

Kady is leaving WAM in August. Erin has been helping on Monday mornings and that has been a big help. More church help is needed both staff and money.

- Service report from other ministries

Deacon’s Closet is open Thursday mornings. Contact First Presbyterian for more info.
