Next Meeting – it was proposed that we meet quarterly

Hi Everyone,

For those who were unable to attend our last meeting it was decided to move to a quarterly meeting schedule. If you have information you wish to get to the WAM members please shoot me an email and I will see that your information is distributed. I plan to send financial

information on a monthly basis to all of you. This Ministry we share together is vital to those we serve. We hope with quarterly meeting and monthly email updates we can continue to be effective in our mission to help those in need.

Thanks to all of you and God's Blessings
